

Public Service Announcement 8/16/2022

On Thursday the 18th of August 2022, City of Big Spring Emergency Management and officials will be conducting emergency warning siren maintenance. Testing will include short interval tests on the siren at the rodeo grounds throughout the day from 8 a.m. to 5 p.m. Testing of the siren will finish at 5:00 p.m. Any siren heard after 5:00 on August 18, 2022, will not be a test.

We have found great information at www.KnoWhat2Do.com and urge our citizens to visit the site to learn ways to keep you and your family safe during bad weather.
