

FINANCIAL STATEMENT

FINANCIAL STATEMENT (As of January 01, 2016)

Table with 2 columns: Description and Amount. Rows include Taxable Assessed Valuation, New Debt, Outstanding Debt, Total General Obligation Debt, Less: Self-Supporting (a) Water & Sewer, GO Debt payable from Ad Valorem Taxes, Less: I&S Fund, and Net Debt.

(a) The September 30, 2015 Audit reports the following General Obligation Debt being paid from revenues other than ad valorem taxes; thus considered self-supporting.

Net Debt Per Net Assessed Valuation - 1.45%
Net Debt Per Sq mile - \$664,692.62

Net Debt Per Capita - \$445.90
Net Assessed Valuation Per Capita - \$30,779.52

Bureau of Census Pop: 2000 - 25,233
Bureau of Census Pop: 2010 - 27,282
2015 Estimated Population - 28,472
Area: 19.10 Sq mile

PAYMENT RECORD: The City has never defaulted on General Obligation Bonds. The City has not defaulted on Revenue Bonds since 1945 when an issue of Swimming Pool Revenue Bonds was retired at par and accrued interest.

TAX DATA

Table with 7 columns: Tax Year, Assessed Valuation*, Tax Rate, Adjusted Levy, % Collections Current, % Collections Total, Year Ended. Rows for years 2010 through 2015.

* Increase due to mineral valuations.

Table with 5 columns: Tax Rate Distribution, 2015, 2014, 2013, 2012. Rows for Operations, I&S, and Totals.

Tax Rate Limitation: Article XI, Section 5 of Texas Constitution, applicable to cities of more than 5,000 population - \$2.50 per \$100 assessed valuation. City operates under a Home Rule Charter which adopts the constitutional provisions.

TAX ABATMENTS The City has established a tax abatement program to encourage economic development. In order to be considered for tax abatement, a project must meet several criteria pertaining to job creation and property value enhancement. The City has two tax abatement agreements currently in force. The tax abatement for the 2015 tax year is \$515,964.

CHAPTER 380 AGREEMENTS The City has a policy in place relating to Chapter 380

economic development incentive programs, and has entered into two such agreements.

SALES TAX

Municipal Sales Tax: The City has adopted the provisions of Municipal Sales and Use Tax Act V.T.C.A., Tax Code, Chapter 321, which grants the City power to impose and levy a 1% Local Sales and Use Tax within the City; the proceeds are credited to the General Fund and are not pledged to the payment of the bonds in this report. Voters approved an additional sales and use tax of 1/2 of 1% for the Economic Development Corporation (Type A), and 1/2 of 1% for property tax reduction, effective October of 1990. Net allocations on calendar year basis are as follows:

Table with 5 columns: Calendar Year, Rate, Total Collected, % of Ad Val Tax Levy, Equiv of Ad Val Tax Rate. Rows for years 2012 through 2015.

SYSTEM DESCRIPTION AND PERTINENT CONTRACTS

WATER SUPPLY CONTRACT The Colorado River Municipal Water District was created in 1949 primarily to collect and deliver water to meet the contractual requirements of member cities, Odessa, Big Spring and Snyder, of the contract cities, Grand Falls, Millersview/Dooile, Midland, Stanton, San Angelo, Robert Lee and Pyote, University Lands and non-municipal customers.

COLORADO MUNICIPAL WATER DISTRICT - WATER SUPPLY PROJECT (See Texas Municipal Report #5154 for additional information, including all contracting parties)

Date of Contract: February 12, 1982
 Length of contract: The life of the Bonds
 Bonds Outstanding: \$197,460,000 as of 9-30-15

Payments made under the contract constitute operating expenses of the waterworks system as defined by Article 1113, RCST, 1925.

Nature of Contract: (O.H. Ivie Reservoir Water Transmission Contract) The CRMWD issued Revenue Bonds to construct a water transmission system from Stacy Reservoir to the Odessa/Midland area by way of San Angelo.

Terms of Contract: The City will pay its pro rata share of transmission system fixed costs, including debt service, and its share of operation and maintenance expenses; these payments will be an operating expense of the System.

SPECIAL WATER AND SEWER CUSTOMERS

Howard County WC&ID #1 - The City sells treated water to the District (City of Coahoma) at cost plus 10%.

The City sells treated water to and accepts sewage for treatment from the Big Spring State Hospital, a facility of the Texas Department of MHMR. The State Hospital owns and operates its water storage and distribution system and sewage collection system. In 1990, the City constructed various improvements to the State Hospital's water storage and distribution system.

The City sells raw water to Alon USA, LP (formerly Cosden Petroleum Corporation ("Alon") and Sid Richardson Carbon, LTD (formerly Cabot Carbon Company) ("Sid Richardson") under a 1957 contract, as amended in 2012, for use in an oil refining and chemical production plant located adjacent to the City; raw water is supplied a cost equal to the percentage of the monthly fixed charge that CRMWD charged the City that is attributable to the actual amount of raw water that the City delivered to Alon and Sid Richardson during the previous month; provided, however, that no monthly payment may be less than 20% of the total monthly fixed charge that CRMWD charged the City for the applicable month. In addition to the foregoing payment, Alon and Sid Richardson must pay to the City each month CRMWD's then current delivery fee plus \$0.25 for each 1,000 gallons of raw water supplied to them during the applicable month.

All qualified employees of the City are members of the Texas Municipal Retirement System. The City employees also participate in the U.S. Social Security program.

Changes in Texas Municipal Retirement System (TMRS) Actuarial Method and Plan Assumptions

In early 2007, TMRS informed each of the member cities that the current actuarial assumptions did not take into account updated service credits or cost of living increases which are granted to retirees. These benefits, which some cities adopted, have been historically funded on a pay-as-you-go basis. This has led to regular increases in member cities' rates and a decrease in the overall funding of the retirement system. TMRS announced that it intended to study the impact of these benefit components and make potential changes in the way benefits are being funded.

After careful deliberation, the TMRS board approved several changes at its November and December meetings to the actuarial methods and plan assumptions.

The board changed the actuarial method from unit credit to projected unit credit. Projected unit credit will allow the actuaries to consider the future financial impact of updated service credits and cost of living increases, and these benefits will begin to be pre-funded instead of funded on a pay-as-you-go basis. To mitigate the impact of this change, the board approved an eight year transition period. During this time, cities will be able to phase in the higher contribution rates instead of being required to fund these new rates immediately. Also, the board changed the amortization period from a 25-year open period to a 30-year closed period. Under a closed amortization period, contribution rates are higher, but a greater percentage of the unfunded balance is paid off each year. Finally, the board approved changes to the investment policy. TMRS has historically invested solely in fixed income investments. The board authorized the selection of an investment advisor to begin shifting a portion of investments into equity securities as a way to diversify the portfolio's holdings and earn higher returns than could be obtained with fixed income investments.

Required Contribution Rates (Percentage of gross covered salary)

This Texas Municipal Report ("TMR") was prepared by employees of the Municipal Advisory Council of Texas ("MAC") for informational purposes only, and is not intended to be, and should not be considered as, a recommendation, endorsement or solicitation to buy or sell any security of the issuer to which it applies. The information set forth in this TMR has been obtained from the issuer and from sources believed to be reliable, but the MAC has not independently verified such information. The MAC specifically disclaims any responsibility for, and makes no representations, warranties or guarantees about, the completeness or accuracy of such information. In this connection, this TMR reflects information as of the date referred to in the TMR, as derived from filings received by the MAC from the issuer. This TMR will be updated in the ordinary course as filings are received from the issuer, but the MAC specifically disclaims any responsibility for doing so. The reader of this TMR is advised to obtain current information from other sources before making any investment decision respecting the securities of this issuer.

POST EMPLOYMENT HEALTH BENEFITS: GASB STATEMENT 45

GASB released the Statement of Governmental Accounting Standards No. 45 (GASB 45), Accounting and Financial Reporting by Employers for Post Employment Benefits Other Than Pensions (OPEB), in June 2004. The County has implemented GASB 45 for the fiscal year beginning October 1, 2007. GASB 45 sets forth standards for measurement, recognition, and display of post-employment benefits, other than pensions, such as health and life insurance for current and future retirees.

The County's annual OPEB cost, the percentage of annual OPEB cost contributed to the plan, and the net OPEB obligations are as follows:

Table with 4 columns: Fiscal Year, Annual OPEB Costs, % of Annual OPEB Cost Contributed, Net OPEB Obligation. Rows for 2013, 2014, 2015.

As of December 31, 2014, the most recent actuarial valuation date, the plan was not funded. The actuarial accrued liability for benefits was \$2,140,168; and the actuarial value of assets was \$0, resulting in an unfunded actuarial accrued liability (UAAL) of \$2,140,168. The covered payroll was \$8,616,222, and the ratio of the UAAL to the covered payroll was 24.84%.

NON FUNDED DEBT

NON-FUNDED DEBT PAYABLE (As of September 30, 2015)

The City reports additional debt in the principal amount of \$9,209,471 under Business Activities, \$8,839,410 under Fire Dept Fund and \$9,877,296 under Govt Activities as follows:

Table with 5 columns: Amount Outstanding, Int Rate, Next Year's Requirements, Reported Under, Description. Rows include Capital Leases, Conservation Energy, Compensated Absences, Landfill**, OPEB*, Net Pension Oblgn, etc.

* See PENSION FUND LIABILITY section for details of this obligation.
** LANDFILL CLOSURE/POSTCLOSURE COSTS

State and federal laws and regulations require a final cover to be placed on a landfill site when it stops accepting waste and certain maintenance and monitoring functions be performed at the site for thirty years after closure. Although closure costs will be paid as closure occurs and postclosure care costs will be paid only near or after the date that the landfill stops accepting waste, a portion of these closure and postclosure care costs are reported as an operating expense in each period based on landfill capacity used as of each balance sheet date.

The amount recorded as accrued landfill closure costs of \$2,611,286 as of September 30, 2015 represents the cumulative amount reported to date based on the use of 80.33% of the estimated capacity. It is estimated that an additional \$639,276 will be recognized as closure and postclosure care expenses between the date of the balance sheet and the date the landfill is expected to be filled to

capacity in 2034.

The City is required by state and federal laws and regulations to make annual contributions to a trust to finance closure and post-closure care. The City has not placed funds in a trust to cover these costs. However, at September 30, 2015 the City has designated an investment in the amount of \$3,682,989 for this purpose.

OVERLAPPING DEBT

ESTIMATED OVERLAPPING DEBT STATEMENT

Table with 5 columns: Taxing Body, Debt Amount, As Of, %Ovlp, Ovlp Amt. ECONOMIC BACKGROUND

The City of Big Spring is the county seat and principal city of Howard County, located 39 miles northeast of Midland at the intersection of Interstate Highway 20 and U.S. Highway 87. The City's 2010 census was 27,282, increasing 8.12% from 2000. A Veterans Administration Medical Center hospital is located in Big Spring. The City has an inter-governmental agreement with the Federal Bureau of Prisons to operate four correctional facilities. Cornell Corrections, Inc. administers the prisons under a management contract with the City.

COUNTY CHARACTERISTICS: Howard County is a west Texas county. There were 5.3 million barrels of crude oil recovered in 2008.

COUNTY SEAT: Big Spring

2010 census: 35,012 increasing 4.1 % since 2000
2000 census: 33,627 increasing 4.0 % since 1990
1990 census: 32,343

ECONOMIC BASE

Mineral: stone, sand, oil, gravel and gas.

Industry: varied manufacturing, oil production, government, gas production, clothing manufacturing and agribusiness.

Agricultural: hay, cotton, beef and beans.

OIL AND GAS - 2015

The oil production for this county accounts for 1.46% of the total state production. The county ranks 22 out of all the counties in Texas for oil production. The county ranks 154 out of all the counties in Texas for gas production.

OIL PRODUCTION (Texas Railroad Commission)
