

## PUBLIC SERVICE ANNOUNCEMENT

---

Date: May 11, 2022  
To: Media Outlets  
From: Shane Bowles, Public Works Director  
Re: Water Service Interruption

---

On Wednesday, May 11, 2022, City utility crews will repair a water main at the Water Treatment Plant at 1601 Virginia. Work will begin at 8 p.m. and continue until complete. This repair will affect water service for all customers west and south of Virginia Street.

Customers west and south of Virginia Street will have low water pressure and/or total water interruption while repairs are made. We ask customers to limit water use to essential functions during this time to minimize the possibility of a complete water interruption. We apologize for any inconvenience and ask for your patience while these repairs are completed.

Please direct any questions or concerns to the office of Shane Bowles, Public Works Director, at 432-264-2501.
