

PUBLIC SERVICE ANNOUNCEMENT

From: Shane Bowles, Public Works Director
Re: Sanitation Pickup Delay

Due to a staffing shortage in the Sanitation Department, there will be delays in trash pickup this week. If you have a rollout, please leave it out on your regularly scheduled pick-up day but please note there may be a late pickup or maybe even a day delay. The sanitation department will be running behind, but we will get trash picked up. We apologize for any inconvenience and appreciate your understanding. If you have any questions, please contact the Public Works office at 432-264-2501.
