Re: Sanitation Pickup Delay

---

Due to a staffing shortage in the Sanitation Department, there will be delays in trash pickup today, Friday, May 26, 2023. If you have a roll-out and Friday is your scheduled pick-up day, please leave your roll-out at the curb if it is not emptied today. There may be a late pick-up or maybe even a day delay. The sanitation department will work on Saturday, May 27, 2023, to ensure that our residents get their trash picked up. We apologize for any inconvenience and appreciate your understanding. If you have any questions, please contact the Public Works office at 432-264-2501.
