Re: Comanche Trail Park Playground Demolition

Due to a generous donation by the Dora Roberts Rehabilitation Center, the City of Big Spring will be replacing the large metal playground structure across from the Cotton Mize field in Comanche Trail Park with an all ages, all abilities playground facility.

Demolition of the metal playground will begin on Tuesday, February 12th. The area around the structure will be blocked off and closed to traffic until demolition and updates are complete.

Any questions about the project should be directed to Hayley Lewis, Community Services Director, at 432-264-2516 or hlewis@mybigspring.com.
