Re: Sanitation Pickup Delay

---

Due to staffing shortages in the Sanitation Department, there will be delays in trash pickup for this week. If you have a roll-out that was not emptied today, please leave the roll-out at the curb until it is emptied. Routes will likely be a day behind. We apologize for any inconvenience this will cause and appreciate your understanding. If you have any questions, please contact the Public Works office at 432-264-2501.
