Re: Storm Siren Testing

On Friday, September 20, 2024, City of Big Spring Emergency Management officials will be conducting Emergency Warning Siren maintenance and testing. There will be short intervals of siren tests throughout the day from 8 A.M. - 5 P.M. We will complete siren testing at 5:00 P.M. Any siren heard after 5:00 P.M. on September 20, 2024, will not be a test.
