

PUBLIC SERVICE ANNOUNCEMENT

Date: September 23, 2024
To: Media Outlets
From: Shane Bowles, Public Works Director
Re: Water Interruption Notice

On Tuesday, September 24, 2024, the Public Works Department will change out water valves on the west side of Big Spring. Customers in the area of West Highway 80 and Airbase Road will experience a temporary period of low to no water pressure beginning at approximately 8 a.m. We understand this is an inconvenience for our citizens and we appreciate your patience and understanding. If you have questions, please contact the office of Shane Bowles, Public Works Director, at 432-264-2501.
