

PUBLIC SERVICE ANNOUNCEMENT

Date: September 24, 2024
To: Media Outlets
From: Shane Bowles, Public Works Director
Re: Water Interruption Notice

The water valve project scheduled for this morning on the west side of Big Spring was postponed until further notice.

On Wednesday, September 25, 2024, customers from South Monticello Street to Marshall Drive will experience low to no water pressure beginning at approximately 8 a.m. while water valves are replaced.

We understand this is an inconvenience for our citizens and we appreciate your patience and understanding. If you have questions, please contact the office of Shane Bowles, Public Works Director, at 432-264-2501.
