Re: Park Bathrooms

---

In response to cold temperatures, the City of Big Spring Parks Department will begin closing all public restrooms in city parks anytime temperatures are below freezing. Cold and freezing temperatures can damage the viability of pipes and infrastructure in park restrooms. The best way to ensure that our park restrooms are properly maintained is to close them during freezing weather.

We apologize for any inconvenience. For more information contact City of Big Spring Community Services Manager, Susan Himes at 432-264-2516 or by email at [shimes@mybigspring.com](mailto:shimes@mybigspring.com).
