

PUBLIC SERVICE ANNOUNCEMENT

Date: December 5, 2024
To: Media Outlets
From: Shane Bowles, Public Works Director
Re: Water Outage

There is a broken water line near 1801 West I-20 Service Road. Businesses and customers in this area on the north side of Big Spring and Howard County will have little to no water pressure until repairs are complete. We understand this is an inconvenience, but the Public Works Department strives to make the necessary repairs as quickly and safely as possible.

We sincerely appreciate your patience and cooperation in this matter. If you have questions, please contact the office of Shane Bowles, Public Works Director, at 432-264-2501.
