Re: All Abilities Playground Opening Soon!

We are in the final stages of completing the new Dora Roberts Rehabilitation Center All-Abilities Playground at Comanche Trail Park. Please do not cross the fence or enter the playground until the project is complete. We appreciate your patience and understanding as we wrap this project up. There's still a few more things to do before the playground can open, but it will be ready to be enjoyed soon. This wonderful new playground will also have a new parking lot and plenty of accessible parking.
