

PUBLIC SERVICE ANNOUNCEMENT

Date: January 14, 2025
To: Media Outlets
From: Shane Bowles, Public Works Director
Re: Water Interruption Notice

On January 14, 2025, contractors will replace a water valve on the north side of Big Spring. Customers in the area of NW 9th & Gregg Street will have low to no water pressure until the repair is complete. Crews will work diligently to restore service as quickly as possible. We understand this is an inconvenience for our citizens and we appreciate your patience and understanding. If you have questions, please contact the office of Shane Bowles, Public Works Director, at 432-264-2501.
