

PUBLIC SERVICE ANNOUNCEMENT

Date: January 30, 2025
To: Media Outlets
From: Shane Bowles, Public Works Director
Re: Water Interruption Notice

On January 30, 2025, contractors struck a water line in Highland at the intersection of Scott Drive and Goliad. Customers in Highland will have low to no water pressure until repairs are complete. Crews will work diligently to restore service as quickly as possible. We understand this is an inconvenience for our citizens and we appreciate your patience and understanding. If you have questions, please contact the office of Shane Bowles, Public Works Director, at 432-264-2501.
