

PUBLIC SERVICE ANNOUNCEMENT

Date: February 21, 2025
To: Media Outlets
From: Shane Bowles, Public Works Director
Re: Water Service Interruption

City utility crews are responding to a water leak in the 400 block of NW 9th Street. Please be advised that residents and businesses in and around the area will have low to no water pressure until repairs are complete. Crews will work diligently to restore service as quickly as possible. We understand this is an inconvenience for our citizens and we appreciate your patience and understanding. If you have questions, please contact the office of Shane Bowles, Public Works Director, at 432-264-2501.
