Date: March 17, 2025  
To: Media Outlets  
From: Jay Holt, Big Spring Fire Chief  
Re: Storm Siren Testing

---

On Friday, March 21, 2025, Emergency Management officials will be conducting Emergency Warning Siren maintenance and testing from 10 a.m. to 12 noon. There will be short intervals of siren tests throughout this time. We will complete siren testing at 12 noon. Any siren heard after noon on Friday, March 21, 2025, will not be a test.
