

PUBLIC SERVICE ANNOUNCEMENT

Date: March 27, 2025
To: Media Outlets
From: Shane Bowles, Public Works Director
Re: Water Service Interruption

City utility crews will be installing water service taps near the intersection of Scott Drive & Stonehaven. Please be advised that residents in and around the area will have low to no water pressure until work is complete. Crews will work diligently to restore service as quickly as possible. We understand this is an inconvenience for our citizens and we appreciate your patience and understanding. If you have questions, please contact the office of Shane Bowles, Public Works Director, at 432-264-2501.
