

PUBLIC SERVICE ANNOUNCEMENT

Date: June 10, 2025
To: Media Outlets
From: Shane Bowles, Public Works Director
Re: Water Interruption Notice

City utility crews are working to repair a large water main break on the west side of Big Spring. Please be advised that residents and businesses from West 4th to West 6th Street, from Magnolia Avenue to Presidio Street will have low to no water pressure until repairs are complete. Crews will work diligently to restore service as quickly as possible.

We understand this is an inconvenience for our citizens and we appreciate your patience and understanding. If you have questions, please contact the office of Shane Bowles, Public Works Director, at 432-264-2501.
