Re: City Facility Closures

---

City of Big Spring offices will close at 3:30 p.m. on Friday, January 23, 2026, due to bad weather and increasingly hazardous road conditions.

The Big Sandy Landfill will be closed on Saturday, January 24, 2026, due to freezing temperatures and wet conditions that have created muddy and unsafe driving conditions at the site. The landfill will remain closed until conditions improve and it is safe to resume normal operations. This closure is necessary to protect public safety and prevent damage to vehicles and equipment.

The Comanche Trail Golf Course will also be closed on Saturday, January 24, 2026, and Sunday, January 25, 2026, due to freezing temperatures. The golf course will remain closed on Monday, January 26, 2026, for regularly scheduled maintenance.

We appreciate the public's patience and understanding and will provide updates as more information becomes available.
