

## PUBLIC SERVICE ANNOUNCEMENT

---

Date: March 3, 2026  
To: Media Outlets  
From: Shane Bowles, Public Works Director  
Re: Golf Course Maintenance Closure

---

The Comanche Trail Golf Course will be closed for aerification on Wednesday, March 4, 2026. Aerification is an essential maintenance process that improves turf health, strengthens root systems, and ensures the course remains in good condition for our players.

In addition, the course will be closed Monday, March 9, 2026, through Friday, March 13, 2026, for additional scheduled maintenance. During this time, the Pro Shop and driving range will remain open.

We appreciate your patience and understanding as we complete these important improvements and look forward to welcoming everyone back to the course soon. For questions or additional information, please contact the Golf Course directly or the Public Works office at 432-264-2501.
